

EXHIBITION GUIDELINES

Thank you for your interest in exhibiting with South Shore Arts. The following guidelines outline the policies for artists' submissions that are to be considered for exhibit with South Shore Arts.

1. A letter outlining the artists intent to exhibit. This should include your wish to have a solo exhibit or be included in a group show or any other exhibit proposal information.
2. Twelve to twenty slides or digital images on disc (jpg. format, high resolution, 300dpi, and no smaller than 4in. x 4in. in either direction, images are required) of the work you wish to exhibit. Color photographs or computer reproductions are NOT acceptable. All images must include the size and medium of the work. Remember that presentation is important. Send the best slides or digital images available.
3. Artist resume. This should include information about where you have studied, exhibits in which you have participated and any collections in which your work is included.
4. An artist statement. This is a paragraph or two about you and your art. Explain why you have selected the medium and subject matter for your work. Give the committee insight into what it is you are trying to communicate through your art.
5. A self addressed, stamped envelope for the return of you slides or images.
6. Any additional items that have been included in your submission, but are not listed in these guidelines will NOT be considered and will be disposed of at the gallery manager's discretion.

The exhibit committee is a group of volunteers headed by a member of the Board of Directors and the Gallery Manager, which meets periodically to review, proposed exhibits. The committee consists of dealers, collectors, educators, and artists from the Northwest Indiana and Southern Cook County, Illinois region. The exhibit committee makes recommendations for exhibits, which will come to fruition two or more years in the future.

Once the recommendation of the committee has been made, the artist will be contacted through the office of South Shore Arts as to whether or not and when the proposed exhibit will happen.

Please submit all the requested information to the following address:
