

SOUTH SHORE
ARTS

Tri-County **Jr./Sr.**
High School

50TH ANNUAL
April 12–May 12, 2024

Exhibition

South Shore Arts welcomes you to the 50th Annual Tri-County Junior / Senior High School Art Exhibition, featuring artwork from grades 6 through 12 in a single comprehensive show. The exhibit showcases 32 schools and over 800 student artists from Lake, Porter, and LaPorte counties in Indiana and south suburban Cook County in Illinois.

Through the Tri-County exhibit, South Shore Arts recognizes the excellence in our local students' artistic achievements as well as in their teachers' efforts to nurture within their students an appreciation for the beauty, creativity, and diversity of thought that serves as a foundation for all creative practices and innovation.

For over 80 years, South Shore Art's mission, as a not for profit arts organization, has been to transform lives along the South Shore through the Arts. Our efforts to champion that purpose have not wavered in over 8 decades and include our children/student programming, our quality arts instruction for artists of all ages, and our regional, national, and international artist exhibitions.

These efforts include not only this important student exhibition but also our *everykid* arts and literacy program that serves 1,000s of elementary students in their classrooms each year funded in full by South Shore Arts at no cost to our local schools. Additionally, our outreach services see us partner with our local schools, municipalities, park programs and social service agencies to bring art closer to home in our communities.

As regional Arts Partner for Region 1 for the Indiana Arts Commission (IAC) serving Lake, Porter, and LaPorte counties, South Shore Arts also supports our regional arts community as a whole by facilitating IAC grant programs each year, disseminating information to the public about arts programming happening throughout the region, and providing support, referral services and technical assistance to local artists and arts providers.

South Shore Arts operates through the generous support from individuals, corporations, and foundations who value the impact the arts make in our communities. This includes direct donations and contributions as well as program and exhibition underwriting, membership, public and private grant funding, annual distributions from South Shore Arts Endowment Fund, class and program registration fees, and our Annual Beaux Arts Ball fundraiser held on the first Friday each June.
